

Central Bucks School of Gymnastics, Inc.

Established 1973

Our Programs

The Central Bucks School of Gymnastics, Inc. began in 1973 and has continually provided a wide range of high quality instructional and competitive opportunities for its members. The School has expanded through three locations as its classes and competitive teams have increased in size. The current 10,000 square foot building in Plumstead Township offers an air-conditioned dance studio, a 2,500 square foot "power floor," a Tumble Track, a large pit filled with foam blocks, as well as other well-maintained gymnastic and safety equipment.

The popular **GymKids Gymnastic Program** consists of four different class groupings for boys and girls 3-6 years old and a gym/dance combination class. This program gives many students their first look at gymnastics and physical fitness. Children explore our zip line, rock wall, climbing ropes, trampoline and the foam pit in addition to bars, beam, vault and tumbling. Our instructors are USGA Safety certified and have the knowledge and experience to instruct children in a positive atmosphere that helps develop their skills and self confidence. This is truly a fun-loving approach to the fundamentals of the body awareness and gymnastics. Gymnastics is a great foundation for developing strength, coordination, flexibility and self-esteem that will prepare children for all sports and most importantly, it's FUN! The **GymStars Gymnastic Program** for girls in first grade and older provides an opportunity for children to continue working with gymnastic equipment, developing skills necessary for life-long physical fitness and self-confidence.

The roots of the school's highly successful competitive **Team Program** lie in the enjoyable and challenging instructional classes offered by the school. C.B. has long been the home of one of Pennsylvania's best gymnastic teams. The success of the team level gymnasts has attracted scholarship interest from major colleges and universities throughout the country. Approximately 90% of graduating team members have received full or partial college scholarships.

The **Dance Program** was initiated to provide specialized training to team gymnasts. By popular demand, the Dance Program was expanded to offer public classes in 1982 under the direction of Lee Wilson. The Dance Program currently offers Jazz, Modern, Tap, Ballet, Hip-Hop, and Preschool dance classes under the direction of Tracey Burroughs who begins her seventh year as Director. The Dance Program also offers by-invitation-only Performance Groups and Dance Companies. Annually, the Dance Program stages a Dance Concert, receiving critical acclaim for the high caliber of the dance performances.

Open Gym Program provides both Members and Non-Members with a relaxed, supervised atmosphere in which participants may practice previously-learned skills. Parents or another adult must stay with children under the age of 10 years old at all times and are encouraged to accompany those ten years of age and older.

Birthday Parties are offered for Members and Non-Members with a total party time of 90 minutes. Party time is broken up into 45 minutes of gym time with an instructor who leads age games, parachute and trampoline play and 45 minutes in a separate area for parents to serve refreshments and the opening gifts.

Please refer to pages within the schedule packet for more information on all of the above programs and birthday parties.

Registration for Classes

Registration for classes takes place during our regular office hours. A Registration Card/Liability Waiver must be completed and signed by a parent or legal guardian of each class participant before beginning any class.

A Registration Fee must be paid only once from September through August of each year for each class participant. No discounts apply to the Registration Fee. The Registration Fee for each class participant beginning classes in Session 1 is \$30.00, Session 2 is \$25.00, Session 3 is \$20.00, Session 4 is \$15.00, and the Summer Session is \$5.00. All class fees and the Registration Fee must be paid prior the first class.
